

PRODUCT CHANGE NOTIFICATION

March 20, 2018

Notification ID: CN-180305

Notification Type: Test Processing Relocated to a New Facility

Dear Customer,

We would like to take this opportunity to notify you of a change that will be made to the processing location of Mesa Laboratories' **Mail-In Spore Testing Services**. Mesa Labs, Traverse City, MI is relocating laboratory operations from its current facility affiliated with PO Box 4319, Traverse City, MI 49685-4319 to a newly constructed facility affiliated with PO Box 10310, Bozeman, MT 59719-0310.

Beginning April 16th, 2018, a new facility in Bozeman, MT will receive, process and result test packets. Processing in Traverse City, MI will cease the week of April 16th, 2018.

No action is required of you to accommodate this change. Your test packets sent via USPS will automatically forward to the new facility.

This relocation allows:

- Increased test processing capacity
- Reduced processing time
- More efficient reporting of test results

During this transition, you may see a slight increase in your packet's transit time. Please be assured we will process your tests as soon as possible.

Please contact us with any questions or concerns at sporetesting@mesalabs.com.
